

The West Hills Community College District is committed to the concept of personal, professional, and institutional development for the growth of all employees. The District believes all employees must have the opportunity to receive professional development support and maintain proficiency in their respective fields in order to be able to deliver quality educational services to its students. The District believes it is important to encourage employees to augment the professional skills required. This will enable the District to provide services to its citizens without incurring the expenses for the recruitment of non-residents.

All full time employees of the West Hills Community College District, including faculty, classified, classified management, confidential and administrative employees, are eligible to be considered for the Employee Scholars Program.
