

It is the policy of the Board of Trustees to ensure that the West Hills Community College District is in compliance with all local, county, state, and federal regulations concerning lockout/tagout standards and procedures under the OSHA standard for *The Control of Hazardous Energy Sources (Lockout/Tagout)*, Title 29 Code of Federal Regulations (CFR) Part 1910.147.

Through the establishment of a lockout/tagout program, the West Hills Community College District has specified procedures and training to prevent injuries to employees/users engaged in servicing or maintenance activities of machines and equipment in which the unexpected energizing or startup of the machine or equipment, or release of the stored energy could cause injury.
