| Safety Training Topic | Admin | Child Care Staff | Coaches & Asst. | Instructors | AH/RN Dept. Staff | Science Lab Staff | Custodians | Grounds | Maint | Safety Comm. | Supervisors |
|---|-------|------------------|-----------------|-------------|-------------------|-------------------|------------|---------|-------|--------------|-------------|
| Vocational programs may require other Title 8/Fed-OSHA regulated training, such as, Cotton Dust (Section 5190) or Compaction Equipment (4355). Specific training determined based on the specific tasks/areas in which they are performed. Need to assess science, vocational programs and facilities to identify special safety concerns and training needs. | | | | | | | | | | | |
| Commercially licensed drivers and their supervisors, required to have DOT safety training not listed in this document. | | | | | | | | | | | |

*Includes vocational instructors, some types of training will apply only to vocational instructors, depending on the field in which they work

**Should include Prop.65

*** Initial training should include safe practices specific to the employee's duties
