- Residency requirements are 12 units of completed coursework.
- Service members, spouses and their dependents share in the educational opportunities, programs and services available to the general public.
- Service members, spouses and their dependents can continue their education through the online program.

Attendance Standards for Veterans Using Educational Benefits

The last date of attendance for each course is reported to the VA when a student officially withdraws, is withdrawn by faculty or stops attending without officially withdrawing. For VA education benefits a “W” grade is considered punitive and the last date of attendance must be reported to the VA.

All changes in credit must be reported to the West Hills College Coalinga Certifying Official. **If changes are not reported in a timely manner it can cause an overpayment of VA education benefits. Causing a student bill owed to the VA.**

Reporting “F” Grades for Veterans Using Educational Benefits

Each semester the academic progress of VA students will be monitored for “F” grades. If a failing (“F”) grade is received in a course, the VA will only be notified if the failing grade is due to a lack of class attendance or lack of completing assignments or the final. If a student received an “F” grade, an email will be sent to the instructor. The instructor is required to state whether the student completed the class and received the “F” on the basis of work completed, or if the student received the failing grade based on lack of class attendance or participation. In the latter case, the instructor must indicate the month and the day they last attended and/or stopped participating.

No further action will be necessary for those who received a “F” grade based on work completed in the class. If the “F” grade is a result of non-attendance, the VA will be notified of the last date of attendance or assignment/final reported by the instructor. Due to the reported information a possible overpayment of VA education benefits can be generated.

Special Note: Online attendance is based on assignments, tests, quizzes, discussion boards etc. Logging into an online class does not count as attendance.

Prior Credit for Veterans

All prior credit must be reviewed and credit granted as appropriate to an approved program that has been selected by the veteran student. Individuals may apply for military credit at West Hills College based on recommendations by the ACE Guide. A petition for Health Education 35 must be completed. An evaluation of all the student’s prior credits (military transcripts, prior colleges) in relation to the student’s declared major should be applied for before or upon completion of two semesters.

Academic Counseling for Veterans

The new student advisement is especially important for veterans because the veteran is required to select an approved program and can only receive benefits for taking courses that are required to complete the approved program.

Non payable courses include physical education (except for dependents and P.E. majors); health education (except for dependents and H.E. Majors); NP (no pass reported as a drop at the end of the semester); and “F” grade as the result of non-attendance; or general work experience classes.

Students enrolled in short-term classes should be aware they will only be paid for those units during the time of actual class time. The VA will only pay for classes that have been completed. If a student must drop a class due to “Mitigating circumstances”, the student will have to provide documentation to VA if an overpayment is in result.

The student is required to repay all benefits received for a withdrawn class from the day the class was dropped. This applies when there is no “Mitigating circumstances”.

Students are required to report any changes in classes, units, address, phone number or program to West Hills College Coalinga Veteran’s Services staff or by contacting the VA Certifying official at [559-934-2324](tel:559-934-2324).

Probation and Disqualification for Veterans

The law requires that educational assistance benefits to veterans and other eligible persons be discontinued when the student ceases to make satisfactory progress toward completion of his or her training objective. The VA will allow two semesters of academic probation (grades below 2.0). Students will not receive benefits for the third consecutive semester of academic probation. (Students are recommended to make an appointment with the VA counselor for student options).
