## Interdisciplinary Studies (IS)

### **IS 051 Portfolio Development**

**(1)**

*Class Hours: 18 Lecture*

*P/NP*

Portfolio Development

IS 051 prepares students for the opportunity to earn college WHCC course credit for prior learning acquired through on-the-job training, independent study, or volunteer and personal experiences. Students reflect on their learning experiences and develop a portfolio to showcase their learning and mastery of the material.
