

Child Development Administrative Local Certificate Recommended Pathway

Career Pathway: Education

Program Description: The course work in this certificate helps to partially qualify a student to become a director/supervisor/administrator of a State, Federal, nonprofit, or privately owned children's program. Courses within this certificate meet State mandated requirements. CD 014A, 014B, and 022 are mandated courses for the site supervisor and program director requirements for the Child Development Permit.
